Last Indian minister visit to Pakistan was in 2015

► Continued from P 1

Jai Shankar had represented India at the last heads of government meeting in Bishkek in 2023. Pakistan is hosting the event this time as it holds the rotating chairmanship of council of heads of govt. Last time an Indian foreign minister visited Pakistan was in 2015. The visit, however, was followed by the Pathankot airbase attack that put paid to any hope of revival of dia-

logue between the two countries.

The recent terror attacks in Jammu may restrain India from considering a high-level participation, even as it sees SCO playing a crucial role for regional security. Saarc summit process has also remained stalled for past 8 years as Modi doesn't want to visit Islamabad, which has to host the meet, due to Pak's support to cross-border terrorism.

India signs up for Colombo Security Conclave sectt

New Delhi: Member states of Colombo Security Conclave (CSC) signed charter and MoU for establishment of CSC secretariat on Friday. NSA Ajit Doval participated in the signing ceremony in Colombo. He was joined by senior officials from Sri Lanka, Maldives and Maur-

itius in signing the document. Bangladesh, which is also a member, skipped participation but backed the initiative.

CSC's aim is to promote regional security by addressing transnational threats of common concern to member states, as per a joint statement. TNN

BJP, oppn MPs cross swords during Parl panel meet on waqf bill

New Delhi: The joint committee of Parliament scrutinising the Waqf (Amendment) Bill 2024 has sought views and suggestions from stakeholders, experts and institutions within 15 days on the proposed changes to the law. Meanwhile, just as the first meeting of the 31-member committee led by BJP's Jagdambika Pal last week, the second one Friday too was marked by occasional heated exchanges between BJP members and the opposition, which had opposed the bill in LS. The next meeting is scheduled for Sept 5-6.

According to sources, some of the keenly debated amendments on Friday included the one that proposes to give the power of survey of properties to declare them as waqf to the district collector. Concerns were also raised on the proposal to delete 'waqf by user' from the Act. Sources said the opposition walked out briefly to register its protest over a

point of disagreement and then returned to the meeting that took up most of the day.

The joint committee chaired by Pal heard the views

of stakeholders such as All India Sunni Jamiyatul Ulama, Mumbai; Delhi-based Indian Muslims for Civil Rights and the Sunni Waqf Boards of UP and Rajasthan.

Pal said, "We had said in the first meeting that if the govt has referred the Waqf (Amendment) Bill 2024 to JPC, then we will call as many waqf boards of the country as possible, we will also call those who are part of our minority organisations. The govt's view is that a better bill should come."

According to a statement issued by LS secretariat, the panel has asked for "views/suggestions from general public and NGOs, experts, stakeholders and institutions in particular considering the wider implications of the bill". TNN
